PLEASE READ THIS ENDORSEMENT CAREFULLY, AS IT MODIFIES THE POLICY.

REPLACEMENT COST ROOFING ENDORSEMENT

In consideration for additional premium received, the loss settlement condition on roofs over 15 years of age will no longer be Actual Cash Value for the perils of wind and hail. This refers to policy endorsements HG 477 01-21, KCM 477 01-22 or RC 477 01-21 which restrict loss settlement to Actual Cash Value for the claims due to wind or hail damage to roof surfacing.

All other terms and conditions of this policy apply.
